Portfolio: Available upon request

PROFESSIONAL SUMMARY

AI Product Manager with 3+ years of experience leading machine-learning and generative AI products from discovery through production. Proven track record of shipping ML-powered personalization, recommendation systems, conversational AI, and fraud detection models that increased engagement, reduced churn, and delivered multimillion-dollar cost savings. Strong expertise in product strategy, PRDs, experimentation, model evaluation metrics, stakeholder alignment, and cross-functional execution across engineering, data science, and design.

CORE SKILLS

AI & Data Products

- Machine Learning (Supervised, Unsupervised, Reinforcement Learning)
- Generative AI & LLM-powered features
- Natural Language Processing (NLP)
- Recommendation Systems & Personalization
- Fraud Detection & Risk Models
- Model Lifecycle Management
- Model Monitoring & Evaluation
- AI Ethics, Bias & Risk Assessment

Product Management

- Product Strategy & Roadmappin
- PRDs & User Stories
- MVP Definition & Go-to-Market
- OKRs & KPI Ownership
- Stakeholder Management
- Agile / Scrum Methodologies
- Experiment Design & A/B Testing
- Data-Driven Decision Making

Technical & Analytics

- Model Metrics (Precision, Recall, F1, ROC-AUC)
- SQL & Data Analysis

- Python (Pandas, Scikit-learn)
- APIs & System Integration
- Data Pipelines & ETL
- Cloud Platforms (AWS, GCP, Azure)
- MLOps Concepts

CERTIFICATIONS & PROFESSIONAL TRAINING

- AI Tools and Digital Skills — Coursiv Educational Online Platform2026
- AI Product Management (Advanced) – Lagos Data School, 2025
- Foundation in AML & KYC – Lookup School, (UK) 2023
- Anti-Money Laundering Regulations – Alison Institute (UK), 2023
- Managing Partnerships & Strategic Alliances – Lagos Business School, 2021

EDUCATION

- HND (Bachelor Equivalent), Marketing
  Akanu Ibiam Federal Polytechnic, Nigeria

- OND (Associate Degree), Business Administration
  Akanu Ibiam Federal Polytechnic, Nigeria

PROFESSIONAL EXPERIENCE

Organization:	**YourGlobalAlly.com**
Period:	February 2024 - Present
Position:	**AI Product Manager**

Duties:	• Led end-to-end product ownership for AI-powered customer support, personalization, and fraud detection solutions, from discovery through launch and optimization. • Launched a conversational AI chatbot handling 40% of inbound customer inquiries, reducing annual support costs by $800K. • Built and shipped a recommendation engine that improved click-through rate by 22% and increased average session duration by 3.2 minutes. • Defined PRDs, success metrics, and MVP scope for a generative AI feature, cutting development timelines from 9 months to 4 months. • Partnered with data science to deploy a fraud detection model achieving 95% accuracy, significantly reducing false positives. • Established model monitoring dashboards, lowering false positive rates from 18% to 6% within one quarter. • Automated data labeling workflows, decreasing annotation time by 60% and accelerating model retraining cycles. • Drove product adoption from 0 to 50K monthly active users within six months of launch. • Reduced model inference latency by 45% through infrastructure optimization and cross-team alignment. • Negotiated third-party AI vendor partnerships, saving $300K annually in licensing costs. • Led and aligned a cross-functional team of 8 engineers and data scientists, ensuring on-time, high-quality delivery.
	Key Impact:
	• Improved experimentation velocity, accelerated iteration cycles, and increased customer retention through data-driven prioritization and continuous optimization

Organization	**Clubline Communications Limited (Nigeria)**
Period: **Position:**	2013 - November 2018 **Research Director/Copywriter**
Duties:	• Led data-informed marketing and growth strategies, aligning creative execution with measurable business outcomes. • Managed cross-functional teams and external stakeholders to deliver integrated campaigns on time and within budget. • Leveraged performance analytics and customer insights to optimize campaigns and improve ROI. • Developed long-term brand and growth strategies supporting sustained revenue growth.
